

6th

NORDIC-BALTIC-DUTCH BARIATRIC MEETING

16-17 June 2022 | Vilnius | Lithuania

INVITED SPEAKERS:
Prof. Phil Schauer (USA)
Prof. Carel le Roux (Ireland)

www.creativa.lt/bariatric

Dear Friends and Colleagues,

To plan a scientific meeting during the COVID 19 pandemic is a challenging task. The European countries are leaving lockdown one after another, but the wave of coronavirus infections is rising in the other parts of the world. The 6th biannual Nordic-Baltic-Dutch bariatric meeting is planned on 16th-17th of June, 2022 in Vilnius, the capital of Lithuania. This is the first time in the history of these meetings that we will invite our Scandinavian and Dutch colleagues to visit one of the Baltic countries. During the period of thirty years after separation from Soviet Union, Baltic countries (Estonia, Latvia and Lithuania) became modern, progressive societies highly dependent on innovation and science. This could be illustrated by the fact that one of the major sponsors of our meeting together with the industry will be Vilnius city municipality. The conference venue is located in the very centre of Vilnius, modern and vibrant city, with rich history, UNESCO World Heritage listed Old Town, quaint cobblestone streets and luscious parks. The program of the meeting will include keynote lectures of the experts from our region and beyond, eHealth and young scientist session, reports from Registry studies and extensive networking which has become an essential watermark of these meetings. Join us and participate in the discussions, accumulate and share knowledge in the atmosphere of openness, and experience Lithuanian hospitality.

Prof. Almantas Maleckas

On behalf of the Organizing Committee

ORGANIZING COMMITTEE:

Almantas Maleckas (Baltic countries)

Andrea Karen Floyd (Denmark)

Jon A. Kristinsson (Norway)

Paulina Salminen (Finland)

Magnus Sundbom (Sweden)

Hjortur Gislason (Iceland)

Simon Nienhuijs (Netherlands)

VENUE:

Radisson Blu Hotel Lietuva (Konstitucijos Ave. 20, Vilnius)

REGISTRATION:

All fees are requested in Euro. Registration will be processed only if accompanied by total payment.

REGISTRATION FEES - VAT 21% INCLUDED.

PRELIMINARY PROGRAM

Wednesday 15th March 2022

Registration from 18:00 in the hotel and congress center

| | |
|-------|----------------------|
| 18:30 | Tapas and networking |
|-------|----------------------|

DAY 1 _____ Thursday 16th March 2022

| | |
|-------|-----------------------------|
| 08:00 | Registration and exhibition |
|-------|-----------------------------|

| | |
|-------|------------------------|
| 09:00 | Opening of the meeting |
|-------|------------------------|

09:05 - 11:00 **Session I: T2DM and metabolic surgery**

Status from the participating countries: Denmark, Sweden, Norway, Island, Finland, Netherlands, Baltic countries

Keynote lecture: 100 hundred Years Later, Banting's Dream of Diabetes Remission is Realized!

When do we treat T2DM with metabolic surgery? Internist point of view.

| | |
|---------------|----------------------|
| 11:30 - 12:30 | Lunch and exhibition |
|---------------|----------------------|

12:30 - 14:15 **Session II: Complications after bariatric surgery**

10-year results of the SLEEVEPASS trial: focus on GERD and Barrett's.

Long-term complications after LRYGB.

Chronic disabling problem after LRYGB.

Panel discussion: Optimal procedure selection - a balance between target and adverse outcome

| | |
|---------------|-----------------------|
| 14:15 - 14:45 | Coffee and exhibition |
|---------------|-----------------------|

14:45 - 16:40 **Session III: Weight regain**

After LRYGB: distalization of LRYGB for weight regain.

After LSG: choice of the procedure.

PET imaging: Why weight regain?

Medicine + surgery, not medicine vs. surgery

Discussion

| | |
|-------|--------|
| 19:00 | Dinner |
|-------|--------|

DAY 2 _____ Friday 17th March 2022

08:30 - 10:30 Session IV: Back to the future: eHealth, future technologies, and future knowledge with young researcher session

eHealth and future technologies.
Young researcher session from all participating countries

10:30 - 11:00 Coffee and exhibition

11:00 - 12:15 Session V: Registry studies

- Sweden
- Netherlands
- Norway

12:15 - 12:30 Feedback and closing remarks

12:30 Lunch
